To whom it may concern:

My name is Timothy W. Ferman, co-owner and founder of Dad's Catering Service located in Phoenix, Arizona since 1976. I have known Terry Renaker of Cork and Bottles Liquors & Beverage Catering for going on 20 years. I have never met anyone that is so professional, easy to get along with, and a great friend. In all of our years he has made my business run smoother. He has never turned down a job or been late to an event. Always with a smile and he provides the best of products and services. He is respected to the highest degree in our industry as the best.

In closing you will never find a better qualified professional and caring person. He is capable of any job or task he is asked to do. His company, **"Cork and Bottled Liquors, Beverage catering and delivery"** is top notch and his staff is always there to help.

If you have any hesitation or reservation in hiring Terry or his company, **Don't**, you will never be disappointed.
